

Greg Lanzoni

I was elected to a three year term on the VOCA Board in April of 2008 serving as the Board secretary this past year. Prior to that I served on VOCA election committees, the Strategic Planning Coordinating Committee and chaired the House & Grounds Committee. I currently serve on the Elections Committee, the Greens Committee, and I am the VOCA Board liaison to the Activities Committee and the Big Park Wastewater Improvement District.

I hail from upstate New York where I attended High School, college, and graduate school. I spent 33 years in the field of education as a classroom teacher, program/curriculum specialist and administrator. I also served as an officer on various parent teacher organizations and the president of a homeowners association where I lived and worked in New Windsor, NY located in the lower Hudson Valley.

My wife Beth, also a retired educator, is an active community volunteer. We decided to buy property here in 2000 and upon retiring moved here in 2002. We chose the "Village" for its small town feeling and specifically VOCA for the value it offered and an HOA organization dedicated to maintaining a high quality of life.

I am delighted to have the opportunity to serve my community and have found the past three years as a Board member rewarding. As many know, I am readily available to my fellow community members for advice and direction in improving the life style we enjoy here. I am especially proud to serve with the present Board members who like myself work hard to promote a positive, respectful and progressive approach in making VOCA a community that is a desirable place to live. With your vote I look forward to another 3 years of service.
